The \$11,000 school bond issue of

There seems to be no truth in the
rumor that the children of Hopkins-
ville are preparing to hold an indig-
nation meeting because the schools
have closed.

Lieut. Gov. Cox is a sport all right.
While playing in a game of base ball
at Frankfort last week he split his
left hand catching a hot one and had
to quit the game.

Because he made fun of her gloves
Mrs. Nannie Kyle, a native of Har-
rdsburg, Ky., shot and killed a car

committed suicide.

Twenty one banking companies in
cities including New York, Boston,
St. Louis and New Orleans have been
merged under the name of the Gen-
eral Banking Company, with \$20,000,
000 capital and \$5,000,000 in bonds.

An old lady in Chicago, whose hus-
band in 25 years of married life had
never failed to come home at night,
committed suicide when he failed to
come the other night. She sat by
the window watching for him all
night. He returned next morning,
saying he had been to Wisconsin, and
collapsed when he found his wife
dead.

By a statement from Representa-
tive Victor Berger, the lone House
Socialist, that is "a natural step"
from government control of trusts
to government ownership, Congress-
man A. O. Stanley, who secured the
admission, believes that, he has
erected a signpost to show where
Socialism hopes to lay hold of the
people's votes.

Saved His Wife's Life.

"My wife would have been in her
grave today," writes O. H. Brown,
of Muscadine, Ala., "if it had not
been for Dr. King's New Discovery.
She was down in her bed, not able
to get up without help. She had a
severe bronchial trouble and a dread-
ful cough. I got her a bottle of Dr.
King's New Discovery, and she soon
began to mend, and was well in a
short time." Infallible for coughs
and colds, it's the most reliable reme-
dy on earth for desperate lung
trouble, hemorrhages, lagrippe,
asthma, hay fever, croup and whoop-
ing cough. 50c, \$1.00. Trial bottle
free. Guaranteed by all druggists.

Three Killed.

Three aviators were killed and
many were injured in the French
races Sunday. Two were burned to
death in their machines and a third
was dashed to death.

Lightning Kills Few.

In 1906 lightning killed only 169
people in this whole country. One's
chances of death by lightning are
less than two in a million. The
chances of death from liver, kidney
or stomach trouble is vastly greater,
but not if Electric Bitters be used,
as Robert Madison, of West Burling-
ton, Ia., proved. Four doctors gave
him up after eight months of suffer-
ing from virulent liver trouble and
yellow jaundice. He was then com-
pletely cured by Electric Bitters.
They're the best stomach, liver,
nerve and kidney remedy and blood
purifier on earth. Only 50c at all
druggists.

Socialist Editor's Wife.

Girard, Kan., June 12.—J. H. Way-
land, editor of the Appeal to Reason
published at Girard, Kas., saw his
wife killed yesterday while they
were motoring with their two chil-
dren. The car swerved and crashed
into a telephone pole. Mrs. Way-
land was hurled from the car, strik-
ing the pole. She was instantly killed.
Mr. Wayland and the children
were uninjured.

A Peek Into His Pocket

Would show the box of Bucklen's
Arnica Salve that E. S. Loper, a
carpenter, of Marilla, N. Y. always
carries. "I have never had a cut,
wound, bruise, or sore it would not
soon heal," he writes. Greatest
healer of burns, boils, scalds, chapped
hands and lips, fever-sores, skin-
eruptions, eczema, corns and piles.
25c at all druggists.

Memorial Boulevard.

The high tide of enthusiasm was
reached at a meeting of Good Roads
enthusiasts at Scottsville yesterday,
when general plans were made for
construction of the Memorial Boule-
vard from Louisville to Nashville.
At the meeting high tribute was
paid Peter Lee Atherton for his ef-
forts in behalf of good roads in Ken-
tucky.

A Terrible Blunder.

To neglect liver trouble. Never
do it. Take Dr. King's New Life
Pills on the first sign of constipation,
biliousness or inactive bowels and
prevent virulent indigestion, jaun-
dice or gall stones. They regulate
liver, stomach and bowels and build
up your health. Only 25c at all
druggists.

Tired Again.

Mrs. Elvira Sydnor Miller Eber-
hardt, formerly Mrs. W. H. Slaughter,
of Louisville, brought suit
against her husband, Alvin Eber-
hardt, in Cincinnati, for divorce. She
alleges cruel treatment.

BARKSDALE HAMLETT

EDUCATOR CANDIDATE FOR SU-
PERINTENDENT OF PUBLIC
INSTRUCTION.

Democratic Party Will Demand as Its
Candidate a Man Who Is a Prac-
tical and Experienced
Educator.

The first law of a democracy is
the equalization of opportunity,
which means the equitable distribu-
tion of intelligence through an ade-
quate provision of educational equip-
ment.

There can appear no virtue in the
cry of a "Square Deal" so long as
there exists a monopoly of intelli-
gence, in a state where society is
composed of individuals equally en-
dowed by nature, yet to the great
masses of whom all the light of hu-
man achievement and the social her-
itage of truth are denied.

Through a permanently organized
campaign for educational improve-
ment, readjusted ideals must be con-
verted into practical realities. Thus
will the latent energies of society be
set free and opportunity will indeed
knock at the door of every home in
Kentucky.

His Platform.

I stand specifically for: A school
free and accessible to every child in
every rural district in Kentucky.

BARKSDALE HAMLETT.

The improvement, sanitation and
equipment of our rural schools, in
accordance with the best modern
standards.

Minimum seven months terms in
every district.

A rational and effective compul-
sory attendance.

Practical course of study; agricul-
tural and the domestic and mechan-
ical arts and sciences.

Good roads and consolidation
where practical.

Teachers of scholarship, character
and personality.

County high schools, accessibly lo-
cated in every county.

Improved facilities for the county
superintendent's office.

Liberal enlargement and mainte-
nance of our normal schools and
state university as component parts
of our public school system.

Readjustment of our system of
finance to effect larger results on a
more economic basis.

Personal leadership in the field on
the part of the state superintendent.

Success Comes Only at End of Effort.

The subject of this sketch is a
man of strong individuality, keen
mentality, and a broad humanitar-
ian spirit, whose interest in his fel-
low men is sincere, while his work is
always actuated by a desire to ad-
vance the cause of education.
* * * * * He worked in the tobacco
patch for the means with which to
educate himself, and succeeded to
the extent that he was graduated
from the Hamden-Sidney College of
Virginia, with the Orator's medal of
his class, at the age of nineteen.

son's History of Kentucky, in pub-
lication.)

Endorsed by Educators and Press.

An ex-president of the Kentucky
Educational association, one of its
five original incorporators, and up
to the present time a member of its
board of directors. An ex-president
of the Fourth Congressional District
association; an ex-state board exam-
iner. Began his career as teacher in
Lynnland Academy, Hardin county,
taught in the rural district and nor-
mal schools, Larue county; principal
of the graded schools of Corydon,
and principal of the Henderson high
school from which he came to the

superintendency of the Hopkinsville
public schools.

The Man For the Place.

Editor T. C. Underwood, presi-
dent of the Kentucky Press associa-
tion, in the Hopkinsville News Era:
"The Democratic party could look
long and hard without finding a
worthier or more competent candi-
date for the important office of state
superintendent of schools. Mr. Ham-
lett is a man who has always made
good, and his career has been a les-
son of energy, perseverance and hon-
or. The state has no more enthusi-
astic and effective an advocate of
education, nor the Democratic party
a more loyal supporter."

A Builder of Schools.

In another issue he has this to
say:

"When Prof. Hamlett came to
Hopkinsville, from Henderson, six
years ago, as superintendent of the
public schools, there were but two
buildings. With the completion this
year of the high school buildings,
there will be six, at a cost of \$200,-
000, and the faculty of twenty-three
teachers has been increased to forty-
six. * * * * * He is an orator of
ability and in demand as an after-
dinner speaker * * * * * He is a pop-
ular member of the Elks, W. O. W.
and other fraternal organizations.
Prof. Hamlett is also superintend-
ent of the First Baptist church Sun-
day-school, one of the largest in the
state."

A Leader in Progressive Movement.

Prof. Hamlett, though only thirty-
two years of age, has had thirteen
years of successful experience as a
teacher, rising by rapid promotions
from teacher of a small county school
at \$30 a month to the splendid po-
sition he now holds at the head of
the Hopkinsville school system, with
more than 2,500 pupils and 40
teachers under his superintendency.
Under his direction the schools have
been improved from year to year, un-
til they are more than ever the pride
of one of the most progressive cities
of the state.

A clean, young and progressive
teacher, who has all the elements of
success in his make-up he is a man
in every way capable of making an
officer of whom the whole state
would justly be proud.

A leader in every progressive
movement, Barksdale Hamlett will
help to redeem Kentucky in 1911,
and will be the next superintendent
of Public Instruction.—(Mayor
Chas. M. Meacham in the Hopkins-
ville Kentuckian.

Master of School Problems.

From study and experience, he is
master of the school problems of
Kentucky and is particularly inter-
ested in the improvement of the
common schools. The News knows
no Democrat so thoroughly equip-
ped at all points to make an ideal
state superintendent, to advance the
school interests proper of Kentucky,
as Prof. Hamlett, and we would like
to see him given the nomination
without opposition.—(Elizabethtown
News.)

Friend to the Rural Schools.

Prof. Hamlett is a strong, intelli-
gent friend to the cause of education
and believes in a square deal from
the smallest district to the most in-
telligent city in the country. He is
certainly a friend to the common
schools, believes in seven months'
terms, good roads and improved fa-
cilities for our schools in every re-
spect.—(Mayfield Messenger.)

Prof. Hamlett is in the foremost
rank of Kentucky's educators and is
in every way thoroughly qualified
for the honor he seeks. We predict
a successful candidacy for him and
believe he will be a strong acquisi-
tion to the next state ticket.—
(Madisonville Journal.)

Solid Backing of Home People.

Hamlett stands at the very top
among the educators of our state.
His friends predict with all candor
that he will go into the fight with
the solid backing not only of his
home county, but the entire second
congressional district.—(Daily
Leader, Fulton.)

An Ideal Superintendent.

Barksdale Hamlett, of Hopkins-
ville, is the most advanced, intelli-
gent and capable man in the state
for superintendent of public instruc-
tion. He knows the needs of the
state in all educational matters and
would make an ideal state superin-
tendent of public instruction.—(H.
A. Summers in The Elizabethtown
News.)

Prof. Hamlett possesses all the
qualifications to make the state an
ideal superintendent.—(Cadiz Rec-
ord.)

The Man of the Hour.

As he is seen by the Ballard Coun-
ty Yeoman:

"The most casual reader can see
in him the man of the hour, the
man in whom all people of all par-
ties can graciously unite and work
for. His whole life, his every atti-

ty, his wonderful brain power are
wrapped in this, the greatest work
to be done in Kentucky. Though yet
young, he is undoubtedly the best
equipped man for this office the
state has ever produced."

Determination and Success in His Face

A young man who seems to have
an ambition to accomplish something
worth while in the educational field,
and judging from that determined
expression in his frank open coun-
tenance, he is going to succeed in the
undertaking.—(Daily Bulletin,
Maysville.)

A Worthy and Competent Leader.

His work at Hopkinsville is a
monument to his ability as a school
worker and organizer. He is abund-
antly qualified for the high office
which he seeks, and his broad plat-
form embraces the very best in edu-
cational endeavor. He is a worthy
man in every respect, having work-
ed himself up from a poor boy. Al-
ready he has pledged to him almost
the solid vote of the teachers of the
state, and all interested in the im-
provement and advancement of Ken-
tucky's educational facilities, see in
him a worthy and competent leader
for the accomplishment of those
things.—(Hartford Herald.)

Successful in Great Undertakings.

He is eminently qualified for the
position which he seeks, and his re-
cord as an educator has been one of
uninterrupted success. It is due to
him that the handsome new Chris-
tian county and Hopkinsville high
school is now a permanent reality,
having been erected under the Sulli-
van law, at a cost of \$100,000.—
(The News-Democrat, Paducah.)

Right Man in the Right Place.

We believe as state superintendent
of public instruction, he would be
the right man in the right place.—
(Calloway County Gazette.)

Mr. Hamlett believes in the equal-
ization of opportunities, and his
greatest wish in his work is to make
opportunity knock at the home of
every school child in Kentucky. We
like Mr. Hamlett, and unlike most
politicians he improves on acquaint-
ance. In fact, he is not a politician,
he is a school man who is well equip-
ped for the office.—(The Breckin-
ridge News, Cloverport.)

Making a Fine Race.

He is a man of infinite ability and
capacity and stands upon a platform
that neither trims nor tergiversates;
that begs no question nor evades a
single issue. Mr. Hamlett, a man of
individuality and ability, an educator
and orator, is conceded to be the
logical man for the place and is en-
dorsed by leading educators and the
press. Prof. Hamlett is out for the
Democratic nomination and is mak-
ing a vigorous canvass; he stands
for progression and has the unquali-
fied endorsement of his home people.

He has the credentials of a sturdy
Democrat and bears the highest
qualifications of an ideal superin-
tendent.

Eminently qualified for the po-
sition sought, we believe him to be
"the man" for superintendent of our
state schools.

Prof. Hamlett is a strong friend
to the cause of advanced education
and believes in a square deal from
the smallest district to the most pro-
gressive city in the country. He is
a friend to the common schools of
the state, is a clean, sound and
energetic teacher who has all the
elements of success in his make-up
and is a man in every way capable of
making an officer of whom the whole
state would be justly proud.

It is hoped that Mr. Hamlett will
have no opposition before the Dem-
ocratic primary, for he is so thor-
oughly Democratic and clean in his
views, so well equipped from all
angles, that antagonism would be al-
most unjustifiable.

Mr. Hamlett has given a good ac-
count of himself, and his work at
Hopkinsville is a monument to his
ability as a school worker and or-
ganizer. He has made more than
good there and can make good at
the head of Kentucky's school affairs.
If you want to know what Barksdale
Hamlett stands for, just follow care-
fully the creed of the man as pro-
mulgated by himself.—(Henderson
Journal.)

In the Lead.

Barksdale Hamlett, of Hopkins-
ville, continues in the lead for the
Democratic nomination for Superin-
tendent of Schools. His superior
qualifications for the office give him
a decided advantage over both his
opponents, who are not active school
men. The people of the State are
awakening to the fact that to elect
a lawyer to the agricultural depart-
ment or a farmer to the superinten-
dency of schools would be sheer folly,
and they are lining up in this sec-
tion at least for Mr. Hamlett mainly
because he is an eminent, active edu-
cator and has made a success in his
chosen line of work.—The Somerset
Journal.
